

If you are in need of tutoring services, first of all well done! Not everyone is willing to ask for help, but tutoring is a great way to better understand a topic. Before consulting any of the services below, be sure to talk to your teacher about the struggles you are having, and ask for their suggestions. They are the experts on their specific assignments and class.

Check out these tips for [how to study](#) successfully as well.

GVSU Virtual Tutoring

Grand Valley State University is offering **free 1:1 virtual** tutoring and homework support to all K-12 students in Michigan throughout the school year. Tutors, comprised of GVSU students, faculty, staff, and alumni, will be available Monday through Friday from 11a to 9p and Saturday from 12p-5p. Every tutor has passed a background check and all sessions take place through a monitored Zoom room.

Content areas include English, Math, Science, Social Studies, and Spanish. Additional subjects may be added throughout the year. Visit their [website](#) to learn more.

Tech Tutors

Tech Tutors consists of 40+ Michigan Tech student volunteers that provide **free virtual** tutoring services. Tutoring is available for any K-12 grade and any subject. They also have funding available to provide students in need with resources used during virtual tutoring sessions, such as internet hotspots. Visit their [website](#) to learn more.

SVSU at the Wirt Library

All are welcome to drop in for **free** tutoring provided by SVSU every Tuesday from 4-8pm at the Wirt Library (2nd floor). Writing workshops and on-on-one writing consultations will be provided on the 1st/3rd Tuesdays and math tutoring will be provided on the 2nd/4th Tuesdays. *NOTE- this service has been suspended due to Covid-19 but will hopefully return by the end of the year.* Check the Bay County Library events [calendar](#) for updates.

Children's Dyslexia Center

Located at 614 Center Avenue in Bay City, the Children's Dyslexia Center provides **free** tutoring to students battling dyslexia. They offer a 2-year tutoring program that meets bi-weekly, so the earlier they are able to intervene, the better

Visit their [website](#) or contact them at 989-894-2770.
